

Assembly Bill No. 1433

CHAPTER 682

An act to amend Section 68075.1 of the Education Code, relating to postsecondary education.

[Approved by Governor October 4, 1997. Filed
with Secretary of State October 6, 1997.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1433, Olberg. California Community Colleges: resident classification.

Existing law establishes uniform student residency requirements for purposes of ascertaining the amount of fees to be paid by students who attend the California Community Colleges. Existing law, which is to be repealed on January 1, 2000, entitles a student who is a member of the armed forces of the United States stationed in this state on active duty, except a member of the armed forces assigned for educational purposes to state-supported institutions of higher education, to resident classification at any campus of the California Community Colleges.

This bill would continue that existing law beyond January 1, 2000, by deleting the repeal date.

The people of the State of California do enact as follows:

SECTION 1. Section 68075.1 of the Education Code is amended to read:

68075.1. Notwithstanding Section 68075, a student who is a member of the armed forces of the United States stationed in this state on active duty, except a member of the armed forces assigned for educational purposes to state-supported institutions of higher education, is entitled to resident classification at any California community college campus.

SEC. 2. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars (\$1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

Notwithstanding Section 17580 of the Government Code, unless otherwise specified, the provisions of this act shall become operative

on the same date that the act takes effect pursuant to the California Constitution.
